SUMMARY

Fullstack developer with foundational skills in HTML, CSS, JavaScript, React and Python/Flask. Ready to contribute and eager to develop my fullstack expertise in a supportive team environment.

EXPERIENCE

Lead Frontend Developer
Chingu   **August 2023 - October 2023, Remote**

· As the lead developer on a collaborative team of seven, I spearheaded the development of the Meteor Shower App. This experience allowed me
· to excel in decision-making, Agile software development, and problem-solving.
· In my role, I focused on front-end development, utilizing HTML5, CSS, and JavaScript to create a responsive and visually appealing user
· interface. I also integrated Lea et.js for interactive maps and Chart.js for data visualization, enhancing the app's functionality.
· Working closely with my team, I fostered e|ective teamwork and communication, ensuring the project's success.
· Decision-Making · Agile Development · Lea et.js · Responsiveness · Chart.js · Agile Software Development · Teamwork · Problem Solving ·
· Front-End Development · Cascading Style Sheets (CSS) · HTML5 · JavaScript

Web Developer Intern
Leroma GmbH   **December 2022 - March 2023, DE, Düsseldorf**

· Building reactive web components with JavaScript and Lit.
· Creating responsive components using HTML, CSS, and Tailwind CSS.
· Developing user interfaces with modern JavaScript, HTML5, and CSS3.
· Collaborating with senior developers to implement new features and enhance website performanc

Researcher
Museum of the town of Perast   **July 2013 - January 2018, Kotor, Montenegro**

· Conducted extensive research on the historical data of Perast town, delving into archives and primary sources to uncover valuable insights into its rich history.
· Played a key role in preserving and presenting research results, contributing to the documentation and dissemination of Perast's historical heritage.
· Authored comprehensive catalogs, effectively communicating historical findings to diverse audiences.
· Successfully organized events related to Perast's history, demonstrating event planning and coordination capabilities while engaging the community in appreciating its cultural heritage.

Museum assistant at Naval Heritage Colection
Porto Montentgro   **July 2011 - July 2013, Tivat, Montenegro**

· Conducted in-depth research on 20th-century naval history in the former Yugoslavia, demonstrating strong analytical and historical investigation skills.
· Successfully organized and executed events, showcasing effective event planning, coordination, and management abilities.
· Collaborated seamlessly within a team environment, contributing to the achievement of shared goals and fostering a cooperative work culture.
